Re Bus Driver who passed
DeRussey's Lane on night
of murder.

At the request of Mr. Palzer, I again
have talked with Louis Burroughs, driver of the
bus running between New Brunswick and East Millstone
on the night of September 14th, 1922, and also
J.H. Bennett, of East Millstone, the owner of the
bus.

They are both positive that the bus
schedule was in accordance with Daylight Saving Time
and not Eastern Standard Time, which is the point that

Mr. Palzer felt we should fix for a certainty.

Left E Millstone at 9:30 Daylight; in vicinity of Hamilton
Ave + DeRussey's Lane about 9:50

Respectfully yours,

David Thompson
